

What our guests are saying about Belamere Suites...

Having our own private swimming pool in our suite was the best ever. Belamere gave us the opportunity to have a second honeymoon. Love, Love, loved All of it!

Mr. & Mrs. Horn

Our wedding night at Belamere Suites was the perfect beginning to our marriage. It was so beautiful we will be back every year to celebrate our anniversary.

The Paganoes

Gorgeous! Is what we said when we entered. From the luxurious king-size bed to the fluffy robes next to the Jacuzzi whirlpool to the incredible walk-in shower and the romantic fireplace, it was absolutely amazing! What a beautiful, peaceful and romantic setting. We left more in love and totally stress-free. Thank You, Belamere Suites Hotel.

Mr. & Mrs. Abrams

The setting was perfect, the room was better than a 5-star hotel. We spent the whole evening together, just the two of us. Can't wait to do it again.

Mr. & Mrs. Eddington

My wife was right on target. It's true, you don't need to go far away to have a fantastic getaway. The Belamere Suites has become our favorite hotel! A little bit of heaven in Perrysburg, thank you from the both of us.
